We selected 283 OTA and posted on our website and in the first draft of a Book “Outstanding Taiwanese Americans”.

- **T. A. History Book Series (台美人歷史叢書): Summer Conferences by T. A. Organizations:**

In the past 5 decades, seven major summer conferences have been run by various T. A. organizations in the U. S.. TAC/East Coast will celebrate its 50th Anniversary in 2019. The summer conference by T. A. organizations is one of the very important events in T. A. history. We have been collecting related information and posted on our website.

We would like to prepare a book about this subject starting with the use of our collected information. Program books, articles, photos and souvenirs of all summer conferences will be included in this book. Please help by providing us with related information about the summer conference, if you have.
